

No-Battery Chime

2045-3

PRODUCT OVERVIEW

This is an easy to install device, which notifies you when your door is opened. It greets visitors, customers or clients with a chime and alerts you to their presence - helping to take the surprise out of unexpected guests. The chime is ideal for the home, store or office.

HOW IT WORKS

Simply mount the chime box to any door and the drive magnet to the door frame. No wiring is required. When a monitored door is opened, the chime and magnet separate, causing the chime to sound.

FEATURES

- Quick and easy to install, no wiring needed.
- Know when your door opens... and greet your visitors with a pleasant chime.
- Can also be placed on a back door.
- Helps take the surprise out of unexpected guests.
- Ideal for the home, store or office.
- Can be installed on multiple direction doors (door opens to the inside, door opens to the outside or door swings both ways).
- Two-way swinging doors require an additional 3-SD magnet.
- Approximate size: 6 x 3 x 2.125" (152 x 76 x 54mm).
- Five year limited warranty.
