INSTALLATION NOTES (FIG. 1 & 2)

1. Place cover with frame on the electrical box.
2. Place switch on the frame of the cover.
3. Insert screws to secure everything together.

OPTIONAL BREAK AWAY TIE INSTALLATION (FIG. 3)

1. Drill before mounting cover to wall.
2. With cover closed, find the drill point guide and use it to locate the drill point center.
3. Use a 1/8" drill bit and drill on a 45° angle through the frame and cover.

WARNING: This product can expose you to chemicals including Dichloromethane, which is known to the State of California to cause cancer, and Bisphenol A (BPA), which is known to the State of California to cause birth defects or other reproductive harm.
